For a more active exploration of the area, take a guided bike ride that includes opportunities to see all the sites listed above as well as the majestic Ringstrasse, Vienna's famed ring road, lined with grand buildings, monuments and parks. Friday, October 2

Vilshofen, Germany

Arrive in port Thursday evening. Check out of your cabin by 9am Friday and disembark by 10am. Bid farewell as you prepare for your return flight home or optional extension in Munich.

Notes: Because of the high demand for cruises at this time of year and the limited occupancy, this sailing will sell out. We have been allowed special pricing on a block of cabins through October 25, 2019 (a savings of \$576-\$1,065 depending on category). Reservation requests received after that date may be available but group pricing cannot be guaranteed. The high demand results in more stringent cancellation policies, travel insurance is recommended.

The tours listed in the port descriptions are included in your fare and available to all passengers. AMAWaterways provides tours for *Gentle Walkers*, *Regular Walkers*, and *Active Walkers* and often has a *Late Starters* group for non-morning people. You may also explore on your own in any port whether by foot, bicycle (ship provides them), or public/other transit.

Once we know our participants' intentions, if enough want to go into Budapest early, we will work towards blocking rooms in the same hotel to extend the fun! We will do the same for those wanting to extend their vacation in Munich for Oktoberfest along with festival arrangements. Oktoberfest in Munich runs September 21 to October 6, 2020.

You may also opt to fly to another city prior to the cruise for further exploration (Prague, London, Zurich, etc.) and use an inexpensive inter-Europe flight to get to Budapest for embarkation. We will gladly assist with those arrangements.

More cruise info at <https://www.amawaterways.com/destination/europe-river-cruises/2020/melodies-of-the-danube>

Documentation: You will need a passport, valid until at least April 5, 2021. Cruise documents will be sent once you complete the online the check-in process with the cruise line. We will assist anyone having difficulty with this.

Weather: You can expect daytime temperatures in the 60s-70s and the nights dipping into the 50s with minimal rainfall. Your cabin has climate control for your personal desired temperature.

Dining: River cruising features a buffet breakfast and lunch and a set time, multi-course, sit down dinner along with various other light offerings. Submit any special dietary needs on your registration and we will insure the ship is made aware.

Power: These ships use Europe's 220v and 2 pin adapters. Most of today's electronics are rated up to 220 so only a plug adapter is needed. Other items would need a converter along with the plug adapter. Each cabin has a USB charger.

Air Transportation: Flights will be available for booking in late September 2019. We expect fares from Chicago to be ~\$700, possibly higher if you select a nonstop flight at prime time. If you are not deviating, outbound flights will be into Budapest (BUD, 12 miles/30 minutes from port) and return flights from Munich (MUC, 90 miles/2 hours from port).

Airport Transfers: We will arrange a group transfer that supports the majority of arrival and departure times. We will assist with alternate transfers if needed to match your flight times.

Insurance: Through experience, we have made it our policy not to include generic travel insurance. While including it makes it easy, finding that your needs are not covered by a universal policy makes that coverage a waste of money. We recommend independent agencies or your preferred insurance agent to find the coverage you need based on your work status, health, and choice of coverage level. Policy cost is based on total trip cost, age, and desired coverage inclusions. Insurance is optional. We will be glad to assist you in obtaining a policy. Go to <http://www.TravelInsuranceReview.net> for an informative article on buying insurance. We have been recommending Squaremouth (agency of the website mentioned above) as they have proven to be exemplary in processing claims for our travelers. <https://www.squaremouth.com/21876> As an independent agent, they sell all brands of insurance with an easy cost and inclusion comparison tool.

Terms and Conditions

GENERAL

- By registering and depositing, you agree that you have read and agree to the terms and conditions written herein. Your acceptance of these Terms & Conditions hereby releases Journeys & Gatherings, hotels, cruise line, and all other group providers (further herein labeled PROVIDERS) from any and all claims involving health, disease outbreaks, safety, security, political stability, and labor or civil unrest at each destination. You also agree that the courts in Waukesha County, Wisconsin will be the exclusive jurisdiction for all claims brought by Journeys & Gatherings and you hereby submit to the personal jurisdiction of those courts. PROVIDERS will file any suits in their jurisdiction.
- There are times when unforeseen circumstances require a change in our trip offering or inclusions. Equivalent or better substitutions will be made where possible.
- When traveling with us, you assume complete responsibility for complying with document, vaccination, or other entry requirements of our destinations. Passports must comply with immigration regulations which may include, but are not limited to, having at least two blank passport pages when entering a country and having no less than six months from return date before passport expiration.
- We communicate primarily by email. An email address is required for each participant so we may provide updates, payment reminders, receipts, and confirmations. There is a surcharge of \$20 per person to cover the additional time, supplies, and postage required to accommodate non-electronic communication.
- Smoking is not allowed on any of our transportation nor within 50' of the entrance of any vehicle or venue that is provided exclusively for our group. Some ships offer smoking areas.

SAFETY

- Please be aware that during your participation, certain risks and dangers may arise beyond our control, including but not limited to: the hazards of traveling in undeveloped areas; travel by boat, train, automobile, aircraft, or other means of transportation; the forces of nature; political unrest; acts of lawlessness or terrorism; and accident or illness in remote regions without means of rapid evacuation or medical facilities. PROVIDERS will not have liability regarding provision of medical care or the adequacy of any care that may be rendered. It is understood that the best efforts to ensure that adequate measures are taken.

PARTICIPATION

- Carefully consider your ability to participate. It is your ultimate responsibility to know your limitations and not undertake a tour or activity that might be too much for you. Our tours may include walking distances, up inclines, on stairways, cobblestone streets, and other uneven areas. If a medical condition exists or there is any question regarding your ability to participate in a safe and healthy manner in our schedule of activities, please consult your physician before registering for this trip. Failure to do so may result in the inability to participate on the tour and cancellation penalties will apply. PROVIDERS are not responsible for any expenses incurred in this situation.
- Travelers who need special assistance must divulge any disability requiring special attention while on tour at the time the reservation is made. PROVIDERS will make reasonable attempts to accommodate the special needs of disabled travelers, but are not responsible in the event they are unable to do so nor are they responsible for any denial of services by suppliers. The Americans with Disabilities Act is only applicable within the United States and facilities for disabled individuals are limited outside its borders.
- Most transportation services, including touring coaches, are not equipped with wheelchair ramps. We regret that we cannot guarantee individual assistance to a participant for walking, dining, dis/embarking vehicles, or other personal needs. A qualified and physically able companion must accompany travelers who need such assistance and must assume full responsibility for their wellbeing.

REGISTRATION

- All registrations must be accompanied by a signed registration form completed in full. We require the signature of each person traveling if there are multiple forms of payment. If one form of payment, signature denotes agreement with Terms & Conditions for those named on form. In addition to the contact info requested on the form, names as they are on your passport, birthdate, address, and emergency contact info is required before we will accept a deposit to confirm your participation. You are wholly responsible for providing your full name as issued on your passport or government identification. Any charge for document corrections due to the submission of incorrect information will be the direct responsibility of the passenger.
- Those wishing to participate in any portion of our itinerary must purchase the tour via Journeys & Gatherings. Except in very rare cases, partial participation is not an option.

TOUR ETIQUETTE

- Our itinerary has been designed for the enjoyment of all participants. Please follow the agenda as published and be attentive for any day to day changes announced on the ship, coach, or at our tour stops. We ask that you pay attention to coach locations (drop off and pickup points may be different), current time as followed by Tour Director, and directives as to activities in all locations.
- Repeated tardiness is disruptive and disrespectful and often results in added cost. Participants may be asked to leave the tour for this behavior. PROVIDERS are not financially or otherwise responsible for anyone's costs to rejoin the tour or make their way home should a scheduled coach departure be missed or if they are asked to leave the group.
- For the benefit of the entire group, we reserve the right to decline inclusion or remove any participant whose conduct is deemed incompatible with the interests of the other participants. PROVIDERS will not refund nor cover any expenses incurred if we have to terminate your participation due to unacceptable behavior.
- If motion sickness is an issue, consider ginger chews, Dramamine, prescription patches or medications. Roads may be uneven and touring may be along small, winding roads.

AIR/FLIGHTS

- Do not book flights until your participation in the trip has been confirmed to you by Journeys & Gatherings. PROVIDERS are not responsible for flight/change costs purchased by participants at any time.
- PROVIDERS are not responsible if an airline cancels, reschedules, or delays a flight for any reason. If you miss your departure flight, it is your responsibility to work with the airline on which you are ticketed to reach your destination. Any additional expenses you may incur prior to joining your trip are your responsibility.
- Journeys & Gatherings will gladly assist in the procurement of flights or additional travel elements. We will schedule an appointment and bookings will be made through the applicable website.

TRAVEL/MEDICAL INSURANCE

- Travel insurance is an optional purchase. When traveling outside of the US, medical coverage is advised if health is a concern or your ability to pay in the event of an injury is limited. We highly recommend Emergency Medical and Medical Evacuation & Repatriation at a minimum. Journeys & Gatherings recommends Squaremouth based on their 100% fulfillment of claims processed by our travelers. Visit <https://www.squaremouth.com/21876> to receive a quote. Expect insurance to cost 7-10% of your travel costs depending on your age.
- Policies purchased through a tour provider do not cover any other aspects of the trip nor protect you should they default. Independent coverage based on your age and amount you want covered is the only way to guarantee reimbursement.
- Journeys & Gatherings will gladly schedule an appointment and walk you through the process while providing input on companies and coverage limits.

BAGGAGE ALLOWANCE:

- Porterage for one suitcase is included in the price. Airport porterage is not included unless otherwise specified in your travel documents. In general, airline allowances for checked bags are dimensions not exceeding 62" (L+W+D) and weight not exceeding 50lbs (22kg).
- Carry-on bags should not exceed the cumulative dimensions of 45" and 17 lbs. Carry-on bags must be small enough to store in overhead bins or under the seat in front of you.
- Your air carrier may have stricter weight/dimension limitations than those listed above, especially if utilizing a smaller carrier on a connection. Size and weight limitations for carry-on and checked baggage vary from airline to airline and even according to destination and are becoming more restrictive.
- Regulations within most airports require that travelers handle their own luggage through customs.
- PROVIDERS are not responsible for loss of or damage to baggage or any of the traveler's belongings throughout the duration of the tour. Please insure you confirm your bag is loaded before boarding a transfer vehicle.

ROOMMATES

- PROVIDERS will not assign roommates. We will provide contact information of others requesting a roommate so you can connect and determine compatibility. If a roommate is not found and single occupancy is still available, payment of that supplement will be required and/or cancellation parameters in effect on that date will apply.
- Should a roommate cancel and you wish to participate in the tour, you may be responsible for the single supplement and/or cancellation penalties in effect on that date.

PRICE/PAYMENTS

- Deposits are as stated on the registration materials and are required to secure reservations and hold your place.
- We will maintain a waitlist of interested participants so we may quickly fill in spots vacated by those needing to cancel.
- Travel arrangements involving government regulated components are subject to supplemental price increases that may be imposed after you have completed your purchase (fuel surcharges, national, local, facility taxes, etc.). You hereby consent to any such price increases and will send a check or authorize your credit/debit card to be used for them when you are notified.
- Payments must be made directly to Journeys & Gatherings. Any payments made directly to tour suppliers will not be credited to your final payment invoice resulting in non-issuance of documents and inability to participate in the tour.
- Acceptable payment methods may be changed or altered at any time. Currently, acceptable payment forms are check (on a US Bank in US funds), Paypal transfer, wire transfer, or credit/debit cards. Our pricing is based on cash/check payments to reduce costs. If you wish to pay by credit card, Journeys & Gatherings will process these transactions through Paypal with a surcharge. You agree not to file a charge back or refund request with Paypal but rather directly with Journeys & Gatherings.
- Payments that have been declined must be replaced via expedited delivery in the form of a certified check or money order and must include a \$50 service fee. Failure to comply will result in your space being canceled and loss of your deposit.
- Discounts for those not participating in any group related activities, or any other portion of the tour do not apply.
- Some PROVIDERS' penalties are more stringent and their penalties may not match the deposit structure. If you should cancel and additional penalty is due, you agree to make the required payment and/or authorize the charge on your credit card without dispute.

REFUNDS:

- All cancellation requests must be made in writing to Journeys & Gatherings, 2060 Hawthorne Drive, Elm Grove WI 53122 or kristi@journeysandgatherings.com or meetings@wi.rr.com
- Refunds will be processed no later than four weeks after the tour ending date.
- Refunds will usually be paid with a check written in US dollars. Arrangements for international participants will be adjusted as needed.
- Tour components and services are contracted through established, reputable tour companies and hotels, as well as other travel service providers. No refunds can be granted for any accommodations, services or events which are not used after payment to the vendors. If you elect not to participate or deviate from any portion of the tour, no consideration will be given for unused services.
- Group airport transfers are included on qualifying flights and dates. Not all flight times qualify. Customers not using the included transfer will not receive a cash equivalent or price reduction.
- Refunds in full or part will not be provided for missed inclusions due to canceled, rescheduled, or delayed flights.
- Cancellations received after the final date in the Cancellation Schedule will not receive a refund. Insurance is highly recommended and reimbursements on a claim are at the sole discretion of the insurance carrier.
- Replacement participants are required to pay the full tour amount to our office, not to the original traveler. Any non-refundable fees incurred by the original participant's cancellation may be claimed through their insurance.

Journeys & Gatherings is an independent coordinator acting solely as an organizer for the tour participants, while the contracted PROVIDERS provide accommodation, transportation, sightseeing, entrance fees, food service, and other services in connection with the itinerary. Journeys & Gatherings will exercise reasonable care in making such arrangements, however, they do not assume any liability whatsoever, for any injury, damage, loss, accident, or delay to person or property because of any acts of war or terrorism, any act of default of any supplier or person rendering the services included in the tours. The tickets, rules, or contracts currently in use by a PROVIDER rendering service shall constitute the sole contract between such contractor and you, the individual tour member.
